EXT. COLLEGE CAMPUS - DAY

STUDENTS scurry about the walkways. CHUCKIE WOLFE (19) and TIM MASON (19) head toward the Lecture Hall.

Chuckie, jeans down low and hat half cocked, is distracted by every female that passes. Tim, innocent face in preppy attire, tries to walk and text at the same time.

A couple of HOT GIRLS (19) walk by. Chuckie can't resist.

CHUCKIE

Hey ladies. Make sure to stop by the Wolfe Den tonight. We've got wine coolers and chocolates.

(toward Tim)

I can't believe you're gonna miss our first party tonight dude. You really like this girl that much? Don't get pissed but she seems a little. . .

TIM

Intense?

CHUCKIE

I was gonna say needy and possessive.

TIM

Yeah, true. But she says we're really good for each other. Hey, have you ever known any lesbians?

CHUCKIE

Just the ones in my DVD collection. They all have big boobs and wear bikinis. Why?

TIM

Bryn's sister is a lesbian and we're having dinner with her family. I've just never been around any.

Tim's cell phone chimes as they enter the Lecture Hall.

INT. LECTURE HALL - CONTINUOUS

An image of Sigmund Freud is projected onto a large screen behind the lectern below.

As they walk down the steps Chuckie searches for two empty seats. Tim, still texting, barely looks up.

TIM

All lesbians can't be like that, can they? Bryn's sister is a teacher and . . .she's pregnant.

Their friend SHAWN RYAN (19) waves them over to two empty seats next to him. They make their way over. Chuckie and Shawn high five, Tim just sits, eyes glued to his phone.

CHUCKIE

How the hell does a lesbian get pregnant anyway?

TIM

I have no idea.

SHAWN

Turkey baster.

CHUCKIE

Get the fuck out of here.

SHAWN

It's true. They buy some sperm, load up the baster and squirt it in.

The room settles as PROFESSOR LAURA REYNOLDS (55), very attractive, dressed conservatively, approaches the lectern.

TIM

Holy shit. Now that's all I'm gonna see when I meet her. Oh my God.

Chuckie laughs as Tim tries to shake out his mind's eye.

PROFESSOR REYNOLDS

For the next two hours we will discuss Freud and his conception of the human psyche. His interpretation of dreams, the unconscious mind and how it will repress not only trauma but also our fears, his theory on penis envy and of course his controversial views of Psychosexual development in which he

PROFESSOR REYNOLDS (CONT.)  
believes he was in love with his mother  
and his desire to return to the womb.

CHUCKIE  
(whispers)  
What a sick fuck.

Shawn and Chuckie laugh quietly while Tim texts. . .

FROM BRYNE: Don't be nervous. You'll love my sister.

TO BRYNE: I think I'm fine with it. I'm in class.  
I'll talk to you later.

Tim hits mute then closes his phone. The projector image  
changes to a mother breast feeding her baby.

PROFESSOR REYNOLDS  
The oral stage and how it relates  
to a man's obsession with breasts. . .

INT. LECTURE HALL - TWO HOURS LATER

Charlie and Shawn's eyes are glazed over in boredom.

PROFESSOR REYNOLDS  
I feel that many of Freud's theories  
can be applied in our actions today.  
For example the new Cougar craze is  
just Man's continual obsession with  
their Mother. That wraps it up for  
today. See you next week.

Tim slides open his phone, un-mutes and immediately a text  
chimes in. He reads it.

CHARLIE  
Jesus. Does that girl ever stop  
texting you?

The guys start up the steps. Another text chimes.

SHAWN  
I think your suppressing some jealous  
feelings Charlie. Is your unconscious  
really in love with Tim?

A new text chimes in. Tim reads as he walks up the stairs, his eyes widen, he looks panicked.

FROM BRYN: I think I'm in love with you Tim and I'm so ready to take our relationship to the next level.

Suddenly he trips on a step. His phone flies out of his hand, he falls forward and cracks his head on a step.

He lays there, eyes closed. Everything goes black.

INT. CAR - DAY

In the passenger seat, Tim's eyes flutter then open.

He looks over at the driver, BRYN JACOBS (19), pretty with a peppy cheerleader demeanor.

BRYN

Have a nice nap? We're almost there.  
I can't wait for you to meet my family.  
They're going to love you Tim.

She hits him with an obsessed psycho girlfriend smile.

EXT. HOUSE - MOMENTS LATER

Bryn rings the doorbell, it sounds like a text chime.

The door opens and they're greeted by Bryn's sister SIMONE (25). Her huge breasts barely covered by a skimpy yellow bikini, her pregnant belly exposed.

INT. DINING ROOM - NIGHT

At least twenty members of Bryn's family sit at the long dining room table. They all stare down Tim.

Her MOTHER (50's), enters with a turkey on a platter and sets it on the table. She picks up a gigantic, penis shaped turkey baster and pours the juices over the bird.

Simone begins to moan. First sounding orgasmic then turning to screams as she goes into labor. Everyone clears off the table so she can lie down.

Her mouth opens extremely wide as she screams.

INT. HOSPITAL ROOM - CONTINUOUS

An extremely wide open mouth screams in pain. It's Tim's MOTHER, ISABELLE (25), she's in labor. Her feet in stirrups, a DOCTOR (60) seated between her legs.

DOCTOR

Here he comes. . .one last push!

Isabelle screams as she pushes with all her might. She pushes so hard a BABY with Tim's face flies out and hits the Doctor in the head, knocking him to the ground.

The Nurses rush over and help the Doctor up. He'd dazed but okay. They look around the room, don't see Baby Tim.

ISABELLE

OH MY GOD! HE'S TRYING TO GET BACK IN!

The Nurses and Doctor watch as Baby Tim climbs up the umbilical cord. The Doctor grabs him. A Nurse cuts the cord then slaps him on his ass.

INT. LECTURE HALL - DAY

SLAP. Professor Reynolds, leotard, long nails and a head band with cat ears, slaps her tail on his face. She purrs.

Charlie leans over to give him mouth to mouth.

CHARLIE

I've always wanted to do this Tim.  
(clearer)  
Tim. . .Tim!! Tim wake up!

Tim's eyes open, he rubs the lump on his head. Charlie helps him up. They head back up the steps.

CHARLIE

You okay buddy?

Shawn hands Tim his cell phone. It chimes repeatedly. Tim throws it in a garbage can.

TIM

Suddenly I'm in the mood for wine coolers and chocolates.
